Ravalli County Commissioners

--	--	--	--	--

7/11/08

Dear Ravalli County Commissioners,

The Soroptimists of Hamilton are holding a fundraiser during Daly Days on Saturday, July 26th. It is called Kiss The Pig. This is a fun project that has been quite successful for Dillon's Soroptimists. We are asking local officials to participate. What it entails is that the Soroptimists will collect money in jars placed throughout the community representing each participating official. The person with the most funds collected wins the "opportunity" to kiss the pig (a real live swine) on Saturday, July 26th at 1:30pm on Main Street in Hamilton. We are asking participants to be at our booth on Main Street at 1pm that day. Obviously, this requires a great sense of humor and a willingness to be silly for a great cause. We invite any and all of the Commissioners to participate. We are assured that she is a very clean pig as pigs go and all funds raised will go to support Soroptimists projects such as SAFE, The Bitterroot Attention Home, Emma's House, women's health, scholarships, and more. I have listed some of the competitors below. We hope you can join them. Please call me at 360-2347. Thank you for supporting Soroptimists of Hamilton and for your consideration.

Sincerely,

April Johnson
President

Soroptimists of Hamilton
